

## Focal Engineering Community Sponsorship Program

At Focal Engineering, we believe in giving back to the community by supporting local organizations that align with our values of sustainability and equity, diversity, and inclusion (EDI) in engineering. To support this commitment, we have established an annual Community Sponsorship Program, providing four sponsorships of \$250 each to eligible non-profit organizations. These are intended to support non-profit events and student groups and are separate from our typical annual donations supporting local non-profit organizations.

### Eligibility Criteria

To qualify for sponsorship, applicants must meet the following requirements:

- ✓ **Must be a registered non-profit organization**
- ✓ **Must align with sustainability and/or EDI in engineering**
- ✗ **Individuals are not eligible to apply**
- ✗ **Organizations may apply only once per calendar year**

### How to Apply

1. Complete the Application Form - Download the form [here](#) and fill out all required fields.
2. Submit Your Application - Email the completed form to [admin@focaleng.com](mailto:admin@focaleng.com).
3. Review Process - Applications will be reviewed on a first-come, first-served basis, reviewed within 1 month of receipt.
4. Funding Decisions - Selected organizations will be notified via email, and sponsorships will be awarded at the sole discretion of Focal Engineering.

### Future Growth

This program is part of our ongoing commitment to community support. Over time, we aim to expand our sponsorship amounts and opportunities.

For any questions, please contact [admin@focaleng.com](mailto:admin@focaleng.com).

The program may change or be discontinued at any time, at Focal's discretion.
